

ECOLOGICAL SOCIETY OF AMERICA

esa

Great Lakes Chapter Regional Conference

April 5 – 7, 2024
Kalamazoo, Michigan
Fetzer Center
Western Michigan University

“Practicing Ecology in a Changing World”

- A regional event for ecologists of all stripes.
- If you live/work/do ecology in states & provinces that border the Great Lakes, come join us!
- Whether you are a student, academic, professional, retired or armchair ecologist this is an excellent opportunity to present your research and network.

Abstract Submission Deadline: March 7

Registration Deadline: March 21
