

September 22, 2015

The Honorable Lamar Alexander  
Chairman  
Health, Education, Labor and Pensions  
Committee  
United States Senate  
Washington, D.C. 20510

The Honorable Patty Murray  
Ranking Member  
Health, Education, Labor and Pensions  
Committee  
United States Senate  
Washington, D.C. 20510

The Honorable John Kline  
Chairman  
Education and the Workforce Committee  
United States House of Representatives  
Washington, DC 20515

The Honorable Bobby Scott  
Ranking Member  
Education and the Workforce Committee  
United States House of Representatives  
Washington, DC 20515

Dear Chairmen Alexander and Kline and Ranking Members Murray and Scott:

As your Committees prepare to begin conference negotiations to reauthorize the *Elementary and Secondary Education Act* (ESEA), **we urge you to maintain the Title IV language in S. 1177, the *Every Child Achieves Act* (ECAA), which authorizes the 21<sup>st</sup> Century Community Learning Center (21<sup>st</sup> CCLC) initiative as a separate and specific federal funding stream.** The undersigned local, state and national organizations strongly support maintaining and strengthening 21<sup>st</sup> CCLC to provide the next generation of before-school, afterschool, expanded learning and summer learning programs that keep young people safe, inspire them to learn and support working families.

More than a decade of research has shown that 21<sup>st</sup> CCLC has resulted in wide-ranging positive impacts for students and families by leveraging school and community partnerships to help millions of low-income children become successful in school and in life. The bipartisan language supported **unanimously** by the Health, Education, Labor and Pensions (HELP) Committee reauthorizes the 21<sup>st</sup> CCLC program while also strengthening it to reflect what has been learned over the past decade in providing high quality programming.

Afterschool, expanded learning and summer learning programs provide an infrastructure to bring in other resources to our children including access to mentors, tutors, nutritious snacks and meals, and in some places medical, dental and mental health programs. For-profits, faith-based organizations, community based organizations (CBOs), tribal organizations, non-profits, charter schools, local government, colleges and universities and others serve as critical partners and lead organizations under 21<sup>st</sup> CCLC and help foster the broad positive results the program has yielded.

We ask that the ESEA conferees maintain and strengthen 21<sup>st</sup> CCLC by accepting without changes the current language in the ECAA which enhances the quality of federally funded afterschool, expanded learning and summer learning programs; improves the manner in which the 21<sup>st</sup> CCLC initiative is evaluated; and strengthens the school-community partnerships that are the hallmark of quality afterschool and summer learning programs.

Now is the time to step up support for students during the time when they are not supported by school or family, the hours after the traditional school days ends when 11.3 million children are unsupervised and juvenile crime and other inappropriate activities peak.
